

Bible Trivia Baseball Questions

Rules for Bible Trivia Baseball:

1. "S" stands for a single, "D" stands for a double, "T" stands for a triple, and "H" stands for a home run.
There are 40 single, 30 double, 20 triple, and 10 home run questions.
2. The moderator will ask the person in line, which is the batter, to pick a number between one and one hundred.
Optionally, the moderator can let the batter pick the type of hit and the question number within that type, such as D10 or S16.
3. The moderator will then announce or confirm whether that numbered question represents a single (S), double (D), triple (T), or home run (H).
4. If the batter correctly answers the question, then he or she will get the single (S), double (D), triple (T), or home run (H), as appropriate.
Optionally, the moderator can position four chairs for first base, second base, third base, and home plate.
The batter would then sit in the appropriate chair if the question is answered correctly.
He or she will move around the bases as each batter gets a hit until he or she scores.
5. If the batter does not answer the question correctly and the teammates cannot help, then the failed answer will count as an out.
6. After three outs, the other team bats.
7. If everyone on the batting team has had a chance to bat before three outs are reached, then the other team should bat.
8. In most cases, three innings should constitute a game.
